

## VILLAGE OF

### **Important notice to Residents of St-Pierre-Jolys & surrounding areas:**

**The Village of St Pierre-Jolys is usually in continuous discussions regarding various aspects of Highway 59 and Highway 205. Several of the visions and projects involve making it safer and better for our residents.**

**In order to make a coordinated effort to affect change to the highway, it is in the best interests of all that complaints be channeled through the Village office who will then work with council to communicate this information with the Department of Highways in the most effective manner possible using your written complaint as the springboard to advance the concern.**

**We have seen instances where a Village project was put on hold until the matter was resolved even though the complaint had nothing to do with the project.**

**Working together WILL assure that we have the best voice.**

**Village of St-Pierre-Jolys Council**
